19. Barrel Class – under 16
20. Barrel Class – 16 & over

Are you looking for something different to be part of?

This is a new addition to our Crimson Acres show series.

Less emphasis on the low-slow gaits and the “bling” in the show ring.

We are putting more attention on the horse & rider team performance.

We are using pattern classes to test your horsemanship.

This will be a fun day for all levels of rider/horse combinations.

Less formal dress (long sleeved button down shirts).
